Making New Worlds: Policy and Academia

Jan Bebbington

Friday 22 January 2010, 6 p.m.

Public Lecture hosted by the Dundee Contemporary Arts
Meeting Room, 152 Nethergate, Dundee, DD1 4DY

A wine reception will follow to launch the Designing Environment for Life Exhibition, part of the Designing Environment for Life Programme, funded by The Institute for Advanced Studies. For more details about the programme, please visit:

About the Speaker

Jan Bebbington is chair in Accounting and Sustainable Development at the University of St Andrews, where she is also the Director of the St Andrews Sustainability Institute. Since July 2006 she is the Sustainable Development Commission's Vice-Chair (Scotland), and featured in the top ten of the first "Scottish Green List" published last April. Jan is actively engaged in many aspects of the application of academic research in sustainable development to practice in industry, non-profit and political organisations. Her interests focus on Social and Environmental Accounting; Sustainable Development and Organisational Change; and Education. She is also an Associate Director of the Centre for Social and Environmental Accounting Research.

Participation

Attendance is free and open for all but please book a space by email to:
